

Easter Sunday Nobody But Jesus

Walked on water (Matthew 14:25-32)

Healed a man born blind (John 9:6-11)

Lived a perfect life (Hebrews 4:15)

Predicted - and fulfilled - their own death and resurrection (Matthew 17:22-23)

Raised from the dead to never die again (Romans 6:9-10, Hebrews 10:12)

The case for the resurrection:

Seal the tomb. (Matthew 27:62-66)

Touch and Eat (Luke 24:36-43)

The disciples would all be martyred

Is Jesus a madman or is He who He says He is?

And what are you going to do?
