

## **Prayer Part 13**

### **Power of Prayer**

The prayer of a righteous man accomplishes much  
(James 5:13-18)

Prayer makes things work  
(Mark 9:17-29)

God can do more than we imagine  
(Ephesians 3:20-21)

What prevents the power of God from flowing through us?

Lack of faith (Mark 9:22-24)

Wrong motives (James 4:3)

Sin in our lives

Willingness to be used by God

Prayer is not us trying to convince a reluctant God to do something we want, prayer is God trying to convince stubborn and wayward people to do something He wants.
